

ACCIDENTS HAPPEN.

Wouldn't you like extra protection for your family?

AccidentAdvanceSM accident insurance

Underwritten by **Transamerica Life Insurance Company**, Cedar Rapids, Iowa.

Now there's help if you suffer an accident.

Accidents are a part of everyday life, but are you prepared for the added financial burden? If you have a serious accident, you'll want extra cash to cover your increased expenses. Accident insurance pays benefits you can use for medical bills and other out-of-pocket expenses – or for any other purpose, including paying your mortgage or other bills. Your medical coverage may not take care of all of the added expenses you'll have after an accident.

Extended physical therapy benefits, emergency room treatment, and more.

Did you know that 29.5 million visits to the emergency room in a given year will be because of accidents?¹ You'll want your family protected. This policy helps provide protection for you and your insured family every day of the year for covered accidents. Pays benefits for:

- Accident only emergency benefit, including X-rays and physician care received within 96 hours of an accident
- Accident only follow-up visits and physical therapy benefit, which could be important for recovery
- Initial accident only hospitalization benefit, including ambulance and intensive care

These benefits are paid directly to you, not to your doctor or hospital. You can use this money for anything you need. The extra cash can really help you and your family during a difficult time.

Help protect yourself, your spouse, and your eligible dependents.

Issue ages for employees and spouses are 18 through 64. Eligible children can have coverage through age 25.

DISCLOSURES

GROUP BENEFITS DISCLOSURE POLICY

Transamerica Employee Benefits (TEB) is a unit of Transamerica Life Insurance Company and Transamerica Financial Life Insurance Company. TEB markets and administers voluntary insurance benefits through licensed insurance agents. These agents are typically appointed to sell our products, and products of other providers, and receive various forms of compensation from us for the services provided. We believe our compensation arrangements with our agents are conducted with honesty, fairness and integrity. In addition, we realize that having trusted relationships between our agents and our customers is essential to all involved. To ensure this trust continues and to address any concerns within the industry, we have outlined our policy on agent compensation disclosure.

TEB's policy supports transparency and full disclosure of agent compensation to our customers and prospective customers. In addition, we have put controls in place to facilitate this disclosure and obligate our agents to disclose compensation information to customers: 1) when asked by a customer; 2) when receiving both a fee from the customer and compensation from TEB; and 3) when otherwise required by law. Agents must comply with all applicable laws in the sale of TEB products, including any pertaining to the disclosure of compensation information.

TEB's Group Benefits Compensation Disclosure Notice (below) describes the various means by which agents may be compensated for the sale of our products. It is the responsibility of your agent to share specific information with you about his or her compensation arrangements with TEB. Accordingly, please direct any compensation disclosure questions directly to your agent.

COMPENSATION DISCLOSURE NOTICE TO ALL POLICYHOLDERS

Agents who sell and service our products are paid a commission. It varies by the type of insurance policy sold and the state where the policy was sold, and is based on a percentage of the premium received in the first year, and at policy renewal. Agents may receive advances or loans against anticipated commissions for cases sold or to be sold. These advances may or may not require the payment of interest, depending upon the agent's total business and historical experience with TEB.

Agents may receive other compensation from TEB in the form of cash or non-cash awards or prizes, based upon a variety of factors that may include the level of premium written or earned, persistency and growth of premium, or other performance measures. Agents who manage, supervise or recruit other agents or wholesale our products and services to other agents, may receive commission overrides on business that results from their efforts.

Some of our agents may receive additional payments for providing services in connection with the administration of our products. Fees for such services may be calculated on a per policy or per certificate basis or upon the premium volume associated with a specific case. TEB may additionally reimburse these agents/administrators for certain expenses, such as the cost of mailings.

Agents may occasionally obtain exclusive rights to market TEB products or services to agents, employers, employees, or members of associations or unions. Certain groups or associations may also agree to endorse TEB's products to their members. TEB may pay a fee for these exclusive marketing rights or endorsements. See your proposed plan documents or policy certificate package for more information on any such arrangements.
