Transamerica's *AccidentAdvance*®

Achieving the financial future you deserve starts with understanding how both your Wealth + HealthSM impact your quality of life. Healthcare costs can have a major impact on your long-term plan. Transamerica's accident insurance can help provide the protection you and your family need to remain confident in your financial future.

Because what good is wealth without the health to enjoy it?

HELPING YOU PREPARE FOR THE UNEXPECTED

Accidents can happen when you least expect them. You may not be able to predict them, but you can help protect yourself from the financial impact of an unexpected injury. With accident insurance, you can have peace of mind knowing you'll receive a benefit to help with medical bills and other associated expenses following an accident.

BENEFITS PAID DIRECTLY TO YOU

A bit of bad luck shouldn't have to set you back financially. *AccidentAdvance* is a voluntary accident insurance policy that can help fill the gaps not covered by major medical insurance plans. For example, if you break a bone, your health insurance will cover some of your medical expenses, but you may still have co-pays and high deductibles — not to mention the potential of lost wages if you can't work. With *AccidentAdvance*, the cash benefit is paid to you directly, so you can use it to help with your expenses without dipping into savings or using a credit card.
